

**Carl has become a
close and dear
friend of my
family, whether
walking the hills
outside
Kathmandu...or
sitting on our
porch in Vermont.**

-Nils Daulaire

**Carl has a passion and he translates
this to those who meet him....and
that passion is then conveyed to
others.**

-Russell Morgan

He is a gem of a person and an incredible individual whose family and universal values stem from a deep faith and God-given commitment...

**I am most grateful to
Carl for...his tireless
efforts to serve the
poor as a physician
and surgeon, as a
field director of
health programs, as
a teacher and
researcher...**

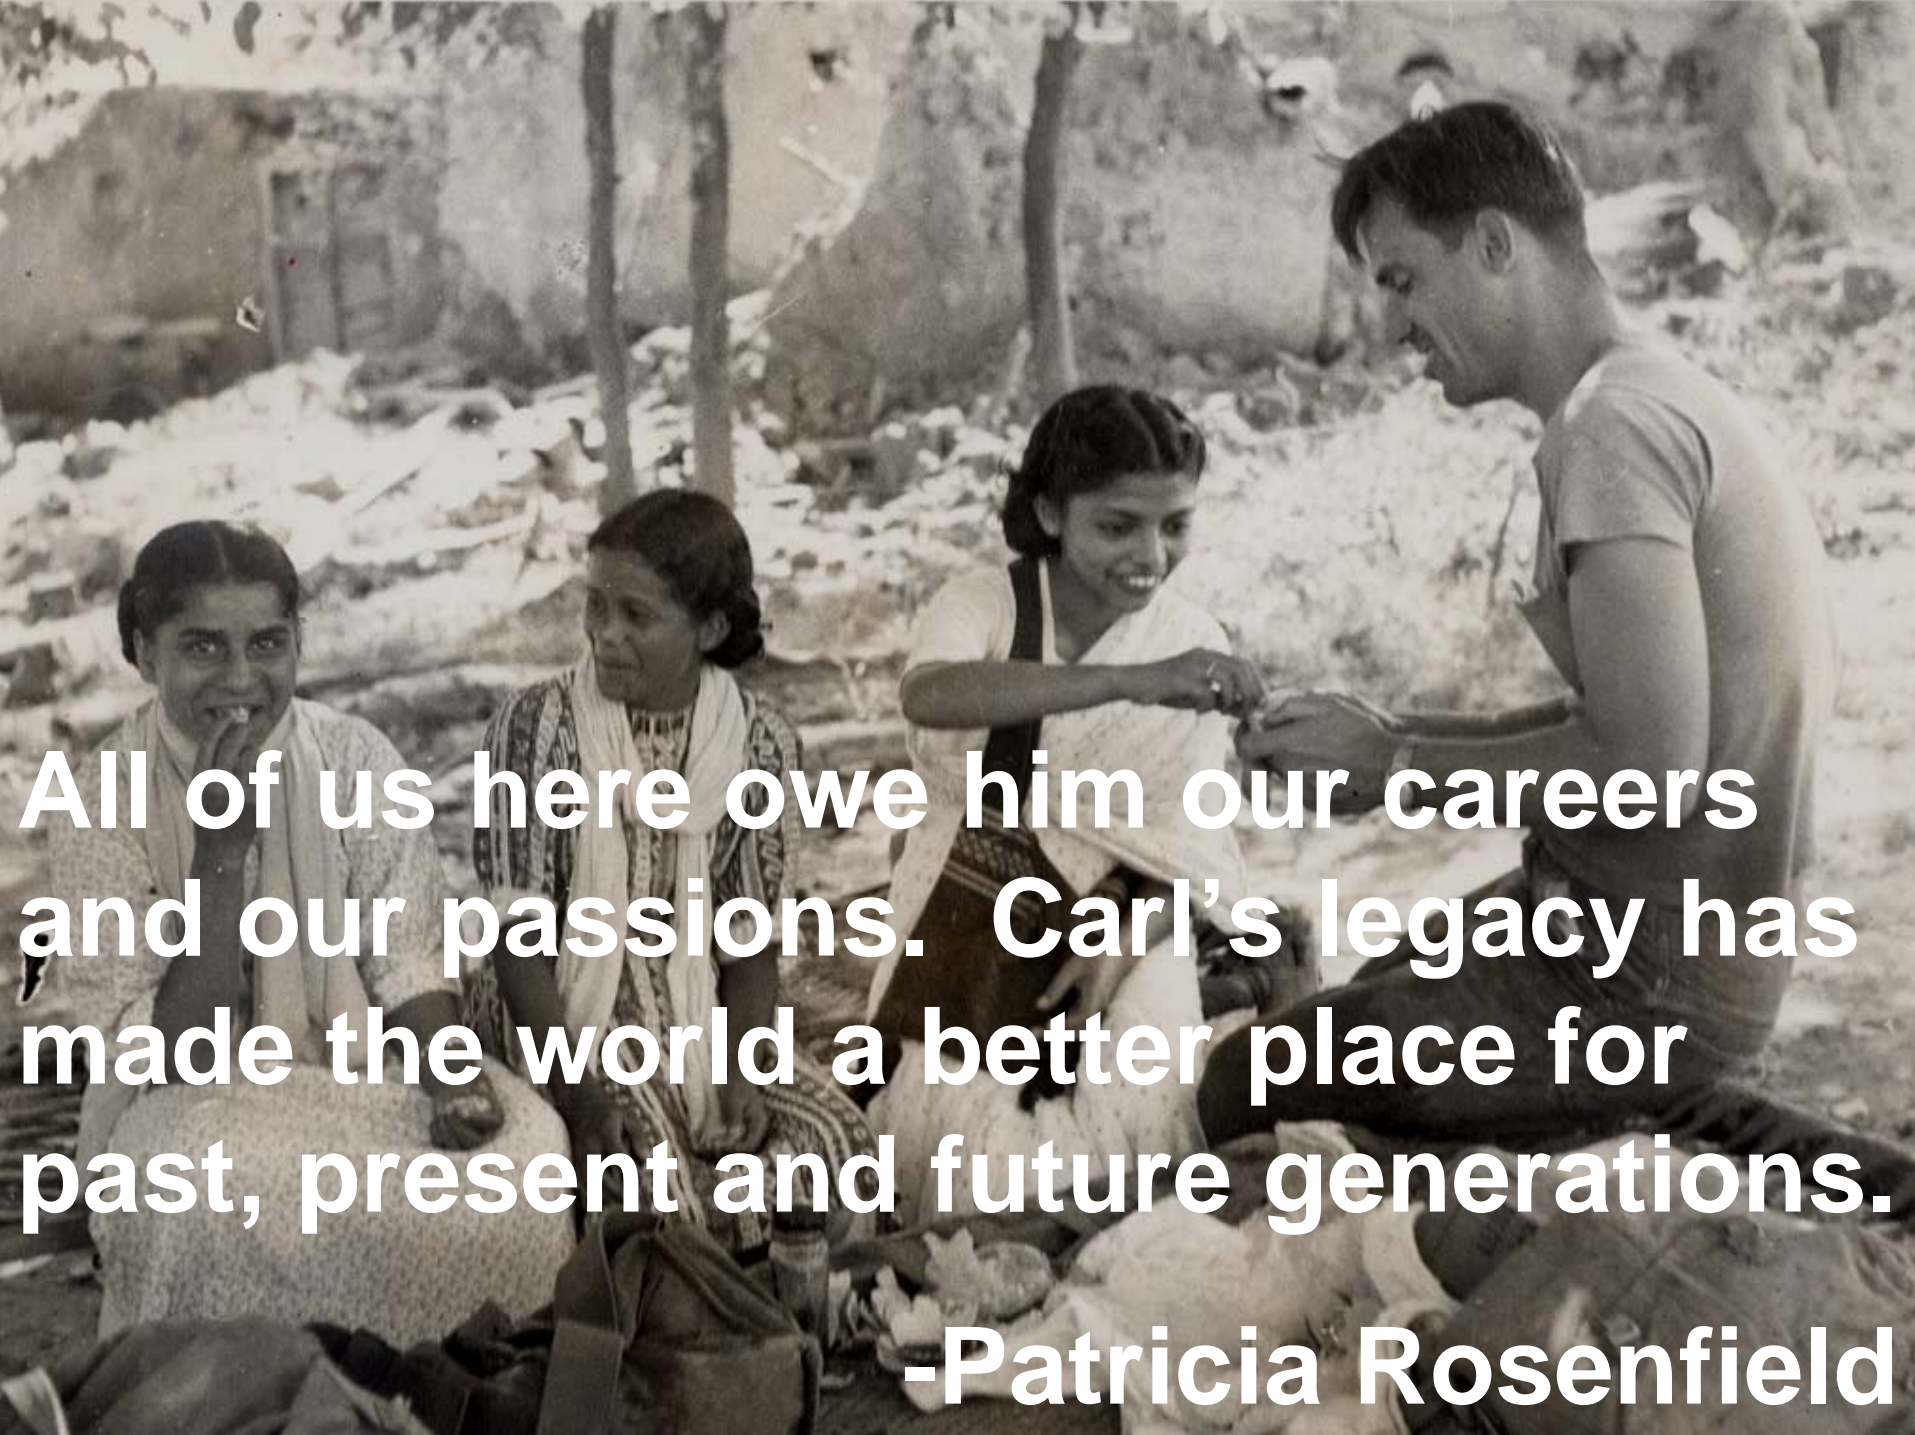

-Henry Perry

**All of us here owe him our careers
and our passions. Carl's legacy has
made the world a better place for
past, present and future generations.**

-Patricia Rosenfield
